**“MOM-AND-POP KUNSTHALLE”**

New York’s Chinatown sees a new art venue this month. **P!** is a combination project space, commercial gallery and “mom-and-pop Kunsthalle,” according to founder **Prem Krishnamurthy**, co-founder of the affiliated award-winning New York design studio Project Projects.

A debut exhibition, “Process 01: Joy” (Sept. 16–Nov. 3) includes photographer and family therapist Chauncey Hare, multimedia artist Christine Hill and graphic designer Karel Martens, all addressing the theme of work.

Karel Martens, *Untitled*, ca. 1991, letterpress monograph on archival card from the Stedelijk Museum Amsterdam, 8 by 11½ inches.
